Description

The Speck 43 Series proves yet again the benefits of continuous research and development.

Characteristics

3 litre (LS) and 6 litre (GS) strainer tanks. Highly corrosive resistant materials. Stable up to 60°C. Absolute electrical separation between pump motor and water. Maximum effectiveness at low power input. Highest quality mechanical seal. Simple to service. Locally manufactured and factory tested pump. Available with 3-phase motor option.

Dimensions

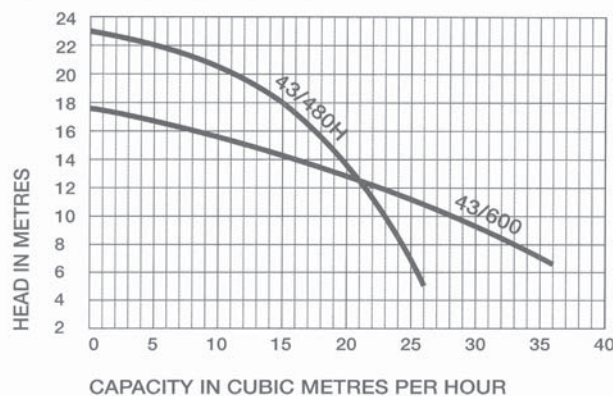

Large Strainer Model (LS)

Speck 43 with giant strainer (GS)
